

26

I asked my Classification to minimum for me to be
 reconsidered for Minimum at my next Classification
 see exhibit A-12. Instead at my next Classification
 I was classified to Medium and not even reconsidered
 for Minimum. I qualify for minimum because the new
 Point System my low points from one write up and low
 charges etc. qualify me for minimum. Instead I was
 classified to Medium see A-13 now the Committee
 Abused its Discretion when I was waiting 3 months
 and still working in the Kitchen when the Committee
 Just Put me In Max/MHU see Exhibit A-13 then
 next I was down graded to Super Max/SHU see
 Exhibit C-2. now I have been Classified back to
 Exhibit B-2. see exhibit - 23. Samuel argues for this
 Abuse of discretion by the Committee putting in Max and not
 rewarding me for my good behavior. This is the same
 treatment if a Inmate done something I didn't do any
 thing but good behavior. But in Max for 4 and a half years.

Conclusion

for the facts here within Samuel ask the court to
 interview and court order me to my qualified status
 base on the point system to minimum. Also awarded
 Samuel \$100,000.00 for my claim or what the court see
 fit to award.

I await your response.
